

Tracks, Program, speaker information - High Tech Summit 2019

Program design – High Tech Summit 2019

Main track	Entrepreneurship & Startups
Sub-track	DTU Startup Fair
Theme	Showcasing 60+ of the finest high tech startups and the ecosystem at DTU
Description	<p>Presenting the thriving startup scene on and around DTU with 60+ of the best startups showcasing with poster stands and prototypes. Throughout the day, visitors get the chance to meet and match with the entrepreneurs; investors, corporate/public stakeholders that could be potential partners or customers.</p> <p>The event is hosted by the main stakeholders in the DTU startup support system (DTU Skylab, DTU Tech Transfer, DTU Entrepreneurship, DTU Science Park) which gives the opportunity to better understand how things work, where to go and how to collaborate.</p> <p>The exhibition is enforced with relevant breakout sessions on the Library 1. Floor and startup pitches on the large Library stage.</p>
Time	Program
10.20-17.15	9.00: Startup exhibition begins
	10.45: Official welcome to DTU Startup Fair (Library Stage) By Marianne Thellersen, Senior Vice President of Innovation & Entrepreneurship at DTU (TBC)
	10.55: How to connect with the DTU startup ecosystem? (1. Floor Stage) Meet the startup support stakeholders at DTU, and get an overview of the landscape. Learn how to engage, and join the debate on how to evolve and strengthen the ecosystem. (startup fair continues in parallel)
	12.10: Lunch (startup fair continues in parallel)
	12.40: Building Tech Startups with Risk Capital and Sweat Equity (1. Floor Stage) Keystones present their strong network of business angels and co-founders, and share their insights on how to grow as a startup. (startup fair continues in parallel)
	13.50: Startup Pitch Competition (Library Stage) A handful of the best representatives among the DTU related startups pitch in front of a panel of investors and CEO's, battling to win 30.000 DKK and elite incubation. (startup fair continues in parallel)

	<p>15.40: Danish Tech Challenge Open House (Library Stage + 1. Floor Stage) Introduction to Denmark's best hardware accelerator and meet the 20 startups from the batch of 2019.</p> <p>(startup fair continues in parallel)</p>
	17.30: End of event
Track coordinator	Kristoffer Buch, DTU Skylab
Facilitator	Kristoffer Buch, DTU Skylab

Main track	Entrepreneurship & Startups
Sub-track	How to connect with the DTU startup ecosystem? (DTU Startup Fair – 1. Floor Space)
Theme	Outlining and debating the ecosystem around startups at DTU - From Startup to Scaleup
Description	<p>Showcasing the ecosystem through stories from startups that have engaged with the involved organizations. This is a way for both internals and externals to learn about how to access the startup scene at and around DTU, and a platform for debating strengths and weaknesses of the ecosystem.</p> <p>Target groups: Corporate, public stakeholders, investors</p>
